iGEL

WASHING GELS

IGEL washing gels are crafted with meticulous attention to every detail: the reliable cap guarantees a leak-proof seal, while the dosing cap is not just a measuring device, but a true washing aid. It releases the gel's power directly in the drum, helping to remove even the most stubborn stains.

Premium-level cleanliness. Care worthy of your clothes.

IGEL washing gels combine a powerful formula with gentle care for fabrics. They effectively remove even the toughest stains while preserving the vibrancy of colors and the softness of fibers. The formulas are effective at low temperatures, saving resources and time while maintaining the impeccable appearance of your clothes. Every fragrance and feature is designed to transform laundry from a routine chore into a pleasant ritual.

Universal Washing Gel

Suitable for all fabric types, this gel is the universal hero of your laundry. It effortlessly tackles stains without damaging the structure of the fibers. It leaves clothes fresh and pleasant to the touch. An ideal choice for those who value simplicity and effectiveness in one product.
